

MANUFACTURER'S CERTIFICATION STATEMENT

For MasterGrain Exterior Door Slabs And Sidelite Slabs
that are Eligible Building Envelope Components under Section 25C of the
Internal Revenue Code as amended by the American Recovery and
Reinvestment Act of 2009.

MasterGrain, a trademark of Weber Manufacturing Technologies Inc. is a premium line of Fiberglass Entry Door Slabs that may qualify as "Eligible Building Components" for a tax credit under Section 25C of the Internal Revenue Code, as amended by the American Recovery and Reinvestment Act of 2009.

MasterGrain has determined, based on rating certified by the National Fenestration Rating Council that MasterGrain Exterior Door Slabs and Sidelite Slabs with the specified glass types noted have both a U-Factor of 0.30 or less and a SHGC value of 0.30 or less. In conclusion the specified products on the attached chart are "Eligible Building Components" that qualify for the credit allowed under Section 25C in all climate zones of the United States.

Under penalties of perjury, I declare that I have examined this Statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
